It is the third in a series of events being organised by The Public Agency for Entrepreneurship, Internationalisation, Foreign Investments and Technology, SPIRIT Slovenia that will feature Slovenia's key competitive advantages in niche areas of the green economy, environmental technologies, robotics, mobility, digitalization, research and development, as well as the creative industries.

Please join us and **discover Slovenia's green solutions for the transition into circular economy on Thursday, 3 December 2020 at 10:00 (CET).**

We will show you how Slovenian companies, with their sustainable, innovative and smart solutions, contribute to Slovenia's transition into circular economy.

In this event organised in cooperation with **SRIP – Circular Economy**, we will host the following organizations: **ACIES BIO, M SORA, IOS (Institute for Environmental Protection and Sensors)** and **MYWATER**.
